**TO WHOM IT MAY CONCERN**

**Re: Co-financing for GEF project GCP/GLO/927/GFF "AVACLIM: Agro-ecology, ensuring food security and sustainable livelihoods while mitigating climate change and restoring land in dryland regions"**

In my capacity as Secretary General of Fonds Français pour l'Environnement Mondial (FFEM, French Facility for Global Environment), I confirm that the FFEM previously committed to participate in the above mentioned GEF co-financed project.

Accordingly, I am pleased to confirm that FFEM should provide 1 280 546 Dollars as co-financing to the above-mentioned project in the form of *cash* contributions to achieve the objectives of the AVACLIM project, subject to a renewed approval by the FFEM board in April 2019, provided that the co-financing share of FFEM is capped at 30% of the total amount of the project.

AVACLIM Components	FFEM contribution (EUR)
<b>Component 1:</b> Building partnerships for experience sharing and capacity building of agro-ecology practitioners at the landscape and local levels with international connections among the project participants	210.000
<b>Component 2:</b> Assessment of existing initiatives for evidence-based decision-making at the national, local and landscape levels	294.000
<b>Component 3:</b> Advocacy to informed decision-makers	166.000
<b>Component 4:</b> Communication and project monitoring	158.000
<b>Component 5 :</b> Coordination	153.000
<b>Administrative charges</b>	69.000
<b>Evaluation FFEM</b>	50.000
<b>TOTAL</b>	1.100.000
