Dear Chris:

Via this letter, I would like to hereby confirm UNDP's co-financing contribution of US \$150,000 to the GEF-UNDP-IMO project, "Building Partnerships to Assist Developing Countries to Minimize the Impacts from Aquatic Biofouling (GloFouling Partnerships)", over its planned five year implementation period.

UNDP's co-financing consists of contributions to the project including participation in annual Global Project Task Force (GPTF), participation in annual Executive Committee meeting, coordination of GloFouling with IW:LEARN and the GEF LME portfolio, annual monitoring and evaluation processes, oversight of mid-term and final evaluation, and development of UNDP publications, mainstream and virtual media content pertaining to GloFouling.

With Best Regards,
