

M.Sc. Carlos Manuel Rodríguez
CEO and Chairperson

April 23, 2021

Dear Council Member:

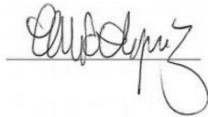

UNDP, as the Implementing Agency for the child project entitled: ***Strengthening the national greenhouse gas inventory of the Republic of Mauritius to improve climate reporting and transparency – GEF ID 10260***, has submitted the attached proposed project document for CEO Approval prior to final approval of the project document, in accordance with UNDP procedures.

The Secretariat has reviewed the project document. It is consistent with the proposal approved by the CEO in October 2019 and the proposed project remains consistent with the Instrument and GEF policies and procedures.

We have today posted the proposed project document on the GEF website at www.TheGEF.org for your information. In accordance with the Council decision on reviewing UNDP projects prior to CEO Endorsement, any comments or questions on the associated project document are welcome before May 22, 2021. Please send these to gcoordination@TheGEF.org.

If you do not have access to the Web, you may request the local office of UNDP or the World Bank to download the document for you. Alternatively, you may request a copy of the document from the Secretariat. If you make such a request, please confirm for us your current mailing address.

Sincerely,

M.Sc. Carlos Manuel Rodríguez
Chief Executive Officer and Chairperson
