## Notification of project evaluation result of SKLOG

Dear Prof. D G G P Karunaratne:

On behalf of the State Key Laboratory of Organic Geochemistry (SKLOG), Guangzhou Institute of Geochemistry, Chinese Academy of Sciences (GIG-CAS), we are officially inform you that your applied project from SKLOG entitled “National Survey on Persistent Organic Pollutants in Breast Milk Giving Special Reference to Dioxins in Breast Milk in a Sri Lankan Cohort” has been approved after a process of peer review and committee discussions.

The research term is two years (2018.1-2019.12), and the total grants are 200,000 RMB.

Congratulations to you, and thank you for your application. SKLOG will provide you the necessary help to complete your research in our lab. Please sign the contract of the project and start your work as soon.

We are looking forward to working with you.

State Key Laboratory of Organic Geochemistry (SKLOG)

Guangzhou Institute of Geochemistry (GIG), Chinese Academy of Sciences (CAS)
