Dear Colleagues

EXECUTING ENTITY FOR GCIP SA

We thank you for the consideration of IDC as an executing partner for the GCIP programme.

As per our telephonic conversation on the matter, it is hereby confirmed that the Partnership Programmes Department (Regional Programmes) of the IDC will not be in a position to proceed as an Executing Entity for GCIP SA. We apologise for any inconvenience as a result of this decision.

We are however, as mentioned, open to continue as a collaborator on projects emerging from the programme, where aligned to our mandate and programmes.

We appreciate your continued partnership.

Kind regards

Stuart Bartlett

Manager: Regional Partnerships
