Dear Azubike,

The project remains aligned with National priorities. Nonetheless, challenges in mobilising counterpart funds for the implementation of demonstration sites remain. It is crucial to attain as much as possible, project objectives within the available implementation time frame.

Stanley Jonah  
Director(PRS)/OFP-GEF

Dear Director/OFP,

Kindly be informed that the GEF Project Implementation Report (PIR) for FY 2024 has commenced. In this regard, we will appreciate your remarks/comments on the Project Titled: "Scaling-up Small Hydropower (SHP) in Nigeria"

Thank you for your continuous support and I look forward to your response.

Best regards,  
Azubike
