**Subject: China-proposed GEF Efficient and Green Freight Transport Project  
Co-financing Fund Commitment Letter**

GEF Secretariat:

We hereby present to you the Commitment Letter of Co-financing of US\$ 5.42 million for the GEF Efficient and Green Freight Transport Project.

We wish to confirm that our staff members and physical resources will be at disposal throughout the implementation of the GEF project. We are eager to start working on this project and show fruitful results.

Yours sincerely,

ZHANG Dawei  
Deputy Director General

Department of Comprehensive Planning  
Ministry of Transport of the People's Republic of China
