Dear Ms. Ishii,

Please refer to our submission of the Full-sized Project Approval Request for the project “Promotion of Waste-to-Energy (WTE) options for sustainable urban management in the Democratic Republic of the Congo” to the GEF Secretariat for their final review and approval.

The project is part of the GEF focal area strategy under Climate Change Mitigation and seeks to reduce GHG emissions by catalyzing market-based integration of waste to energy technologies in relation to urban and industrial waste management.

I am writing to confirm UNIDO’s contribution in the amount of US\$ 174,000 (US\$ 84,000 in grant and US\$ 90,000 in kind) as co-financing for the implementation of the project.

Yours sincerely,

Philippe R. Scholtès
