**Subject: Africa Climate Technology and Finance Center and Network (ACTFCN) – Request for no cost extension from 1<sup>st</sup> July 2020 until 30<sup>th</sup> June 2021**

**Dear Dr Naoko ISHII, GEF CEO and Chairperson**

Reference is made to the GEF funded project ID 4904 “**Pilot African Climate Technology Finance Center and Network**” currently under implementation by the African Development Bank (AfDB).

Given the delay occurred in the implementation of some activities under the adaptation window, we seek your approval for a one-year no-cost extension from **1<sup>st</sup> July 2020 to 30 June 2021** to allow the finalization of all activities under implementation.

We have attached an internal memo which provides a justification for the no cost extension request.

We look forward to a fruitful collaboration with the Global Environment Facility

Yours sincerely,

*For* **Dr Anthony NYONG**
