Subject: Africa Climate Technology and Finance Center and Network (ACTFCN) – Request for no cost extension from 1st July 2019 until 30th June 2020

Dear Dr Naoko ISHII, GEF CEO and Chairperson

Reference is made to the GEF funded project ID 4904 "Pilot African Climate Technology Finance Center and Network" currently under implementation by the African Development Bank (AfDB).

Given the delay occurred in the implementation of some activities under the adaptation window, we seek your approval for a one-year no-cost extension from 1st July 2019 to 30 June 2020 to allow the finalization of all activities under implementation.

We have attached an internal memo which provides a justification for the no cost extension request.

We look forward to a fruitful collaboration with the Global Environment Facility

Yours sincerely,

Dr Anthony NYONG
