

## Low Carbon Technology Innovation Challenge

### Invite and Agenda – FLCTD Road Shows

The **Facility for Low Carbon Deployment (FLCTD)**, a joint initiative of the **Bureau of Energy Efficiency (BEE)** and **United Nations Industrial Development Organization (UNIDO)** is a 5-year project which aims to promote innovation of low-carbon technologies and its deployment in industrial and other related sectors of Indian economy. **Confederation of Indian Industry (CII)** is the implementing partner of FLCTD.

Under the FLCTD initiative, we shall be conducting annual 'Innovation Challenge' competitions to identify innovative low carbon technologies and solutions to improve efficient end-use of energy, which in turn will help to reduce greenhouse gas emissions in the long run, in the following 3 thematic areas:

- (i) **Waste Heat Recovery**
- (ii) **Space conditioning**
- (iii) **Pumps**

We are now inviting applications for the first innovation challenge on “Waste Heat Recovery” for innovative product/technology - APPLY: <https://www.low-carbon-innovation.org/>  
Closing date: 31<sup>st</sup> January 2018.

The **shortlisted projects will benefit** from the following:

- Guidance and mentoring support from industry experts to develop business/ marketing plans and patents
- Award and grant up to USD 50,000 for deployment support and pilot demonstration of winning innovations
- Networking with investors and industry for replication and scale up of the innovation

Please meet us in the roadshows planned for detailed interaction with the project management team and experts on the Challenge. [Register here](#) to join us at the roadshows at one of the following cities:

- **Ahmedabad**, at The Fern an Ecotel Hotel on 12<sup>th</sup> December 2017
- **Pune**, at Hotel Crowne Plaza on 15<sup>th</sup> December 2017
- **New Delhi**, at India Habitat Centre, Lodhi Road on 18<sup>th</sup> December 2017
- **Chennai**, at Hotel Crowne Plaza on 19<sup>th</sup> December 2017

**Registration desks for all the roadshows will start at 1800 hrs. The event will be followed by dinner at 2000 hrs.**
