

CEO and Chairperson

August 6, 2020

Dear Council Member:

UNDP as the Implementing Agency for the project entitled: Climate Change: Bangladesh: Promoting Low Carbon Urban Development, has submitted the attached proposed project document for CEO endorsement prior to final approval of the project document, in accordance with UNDP procedures.

The Secretariat has reviewed the project document. It is consistent with the proposal approved by Council in November 2017 and the proposed project remains consistent with the Instrument and GEF policies and procedures. The attached explanation prepared by UNDP satisfactorily details how Council's comments and those of the STAP have been addressed.

We have today posted the proposed project document on the GEF website at [www.TheGEF.org](http://www.TheGEF.org), for your information. We would welcome any comments you may wish to provide by September 4, 2020 before I endorse the project. You may send your comments to [gcoordination@thegef.org](mailto:gcoordination@thegef.org).

If you do not have access to the Web, you may request the local field office of UNDP or the World Bank to download the document for you. Alternatively, you may request a copy of the document from the Secretariat. If you make such a request, please confirm for us your current mailing address.

Sincerely,

Gustavo Fonseca  
Interim Chief Executive Officer and Chairperson
