5. Is PPG requested in Table E within the allowable cap? Has an exception (e.g. for regional projects) been sufficiently substantiated? (not applicable to PFD)

Secretariat Comment at PIF/Work Program Inclusion

FB: 2/25:

Agency should adjust the amount requested as PPG grant in the PPG PIF.

While an explanation is provided in this review sheet that the amount requested is USD 80,000, the amount listed in the portal request indicates \$83,684. Please adjust.

FB: 3/18:

The justification for the amount requested exceeding the allowable cap is noted and accepted.

Agency Response

FK, 1/31/2020:

As suggested, the expected PPG implementation start date has been revised to February 28, 2020.

TLE, 02/03/2020:

1. The higher PPG amount in Burkina Faso is based on bottom-up cost estimates for a PPG team of international and national consultants to develop the CEO Endorsement Request. These cost estimates, itemized by consultant, are set out below, totaling USD 83,684. As this is higher than the requested PPG of USD 80,000, these additional costs above USD 80,000 will be absorbed from other non GEF sources.

Of note, PPG team costs are higher to account for providing adequate security to team on the ground when carrying out technical studies and design work. In addition, because of security concerns, recruiting specialists to carryout work in Burkina Faso consists of a smaller pool of technical specialists who have taken security concerns into account in their daily rates.

PPG Team Leader	International	\$44,032
Mini-Grid Expert	International	\$8,900
Social & Environmental Safeguards Expert	International	\$11,358
Gender Specialist	International	\$9,394
National Consultant	National	\$10,000
	TOTAL	\$83,684

2. With regard to other issues raised:

- The DREI assessment will occur at the beginning of project implementation

- UNDP hires safeguards and gender specialists in an 'execution' role in the PPG, for which UNDP then provides oversight via its agency fee. For this reason these have been included in the PPG budget

3. As suggested, the expected PPG implementation start date has been revised to March 27, 2020.

TL 1/4/2020:

The amount has been amended to \$80,000 in the portal request

TL 1/4/2020:

The amended amount is now below the allowable cap. Other costs exceeding the cap will be covered by UNDP.
