- (b) For FSPs up to USD 3 million, the limit is up to \$100,000;
- (c) For FSPs up to USD 6 million, the limit is up to USD 150,000;
- (d) For FSPs up to USD 10 million, the limit is up to USD 200,000; and
- (e) For FSPs above USD 10 million, the limit is up to USD 300,000.

Please provide justification

The project is designed to deliver high impacts and has been designed to capture the comparative advantage of both agencies which will implement specific aspects of the project. This request for PPG is based on discussions with the counterpart on the scope of interventions and extensive baseline work needed in the spread-out sites, to develop cost effective project component activities. In addition given that preparation will require travel and analysis through two respective agencies, the estimated costs are slightly higher than the threshold.
