**CLEARING HOUSE MECHANISM TO THE NATIONAL BIODIVERSITY STRATEGY ACTION PLAN AND FIRST NATIONAL REPORT PROJECT**

I am directed to refer to your letter dated 3 March 1998, concerning the addition of a Clearing House Mechanism to the National Biodiversity Strategy Action Plan and First National Report Project.

I regret that you did not receive a response to your letter of 30 June 1997 regarding this matter. I honestly cannot recall ever having received it. If I had, I most assuredly would have responded immediately.

I did however, confirm to the CBD Secretariat in my letter of 21 August 1997, Ref. OPM/BEST/CBD/1, in response to the Executive Director's letter dated 14 July 1997, that The Bahamas Environment, Science and Technology Commission would serve as the National Focal Point for the Clearing House Mechanism. The BEST Commission appeared on their list of National Focal Points, and we were only asked to reconfirm.

The Bahamas Government is pleased to note that it is eligible for this additional assistance. Towards that end and in response to your request, I am returning Annex A, duly completed.

Your assistance in processing this request will be very much appreciated.

Yours sincerely,

*Catherine M. Benjamin*
