20 April, 1999

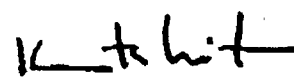

The Country Representative  
World Wildlife Fund  
Thimphu.

Sir,

Kindly refer to your letter No.1.2.1/WWF/1127 dated April 14, 1999 seeking the endorsement of the Royal Government for accessing a medium sized grant from the Global Environment Facility.

In this respect, since the proposed project "Linking Protected Areas for Ecosystems Conservation" will be important for the planned link corridors between all the national parks of Bhutan, we are pleased to convey the endorsement of the Royal Government for WWF to access a medium sized grant from the Global Environment Facility. We sincerely hope support from the GEF would be granted to the WWF for this important project.

Yours sincerely,

  
(Karma Tshiteem)  
Head (ACS)
