**Subject:** Letter of endorsement on NBF Implementation Project.

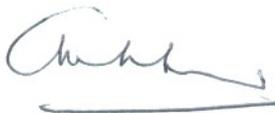

Dear **Mr. Sergey**,

Further to the development of the MSP on Capacity building for NBF Implementation in Cambodia, in my capacity the country GEF's Focal Point, I am pleased to endorse the full proposal as it will benefit to Cambodia to strengthen its capacity to reduce risk from LMOs.

As an indication of our support, we are pledging co-financing of 459,125 for the project, which includes a government contribution in-kind of \$299,025, and co-financing from other donors of \$160,100.

I look forward to further cooperating with you in this matter for the future of biosafety implementation in Cambodia the region.

Yours sincerely, 

**Dr. Lonh HEAL**  
Director General,  
Ministry of Environment.
