SUBJECT: Endorsement for the Draft Project Brief "Removing Barriers to Improving Energy Efficiency of the Residential and Service Sectors", GEF Operational Program #5

Dear Mr Briggs,

We would like to express our endorsement for the Draft Project Brief "Removing barriers to Improving Energy Efficiency of the Residential and Service Sectors" which is going to be submitted for consideration for GEF funding. The project is to support the implementation of economically feasible energy efficiency technologies and measures in the residential, public and commercial buildings in Croatia. The main expected outcomes of the project will be the reduction of the energy consumption and the associated greenhouse gas emissions.

Sincerely yours,

Hrvoje Glavač

Assistant Minister
