Quito, 23 de Noviembre de 2000

Oficio No.- 0941 MA

Señora

SHEILA AGGARWAL-KHAN

Oficial de Programa

Programa de las Naciones Unidas para el Medio Ambiente

Oficina de Coordinación GEF

Nairobi, Kenya

De mi consideración,

Como es de su conocimiento, Ecuador ha participado junto con los gobiernos de Kenya, Filipinas y Ucrania, en la elaboración del *Proyecto de Investigación de Mediano Tamaño "Indicadores de Biodiversidad para Uso a Nivel Nacional"*, proyecto que ha sido presentado al Global Environmental Facility - GEF por parte del World Conservation Monitoring Centre - WCMC.

A través del presente oficio, el Ministerio del Ambiente de Ecuador ratifica la participación de nuestro país en la ejecución del proyecto de investigación; para lo cual nos comprometemos a poner de un manera oportuno, los recursos en especies que de acuerdo al documento del proyecto serán requeridos para la correcta ejecución del mismo.

Atentamente,

RODOLFO RENDON BLACIO
Ministro del Ambiente de Ecuador

**RE: Endorsement Letter for a Project Proposal on the Development of Biodiversity
Indicator for National Use**

The above project proposal submitted to the GEF National Focal Point (Kenya) by the Kenya Wildlife Services has been reviewed and found satisfactory.

This is a global proposal that aims at developing biodiversity indicators for different thematic areas. The project will be implemented in Kenya, Equador, Philippines and Ukraine.

GEF National Operational Focal Point therefore, fully endorses the project proposal for consideration for GEF funding.

MR. AHMED DJOGHLAF
Executive Director
UNEP/GEF Coordination Office
UNEP, Nairobi

Subject: UNEP -GEF Project "Biodiversity Indicators for National Use"

Dear Mr. DjoghlaF,

We would like to inform you that the Government of the Philippines supports the above-mentioned project and is endorsing the same for GEF funding.

The project aims to promote conservation and sustainable use of biodiversity by improving the information on which decisions are based. It would be of great help in the efforts to sustainably manage the natural resources of the countries which will be involved in the implementation of the project namely: Philippines for marine and coastal ecosystems; Ecuador for forests and mountains; Kenya for wetlands and arid /semi-arid ecosystems; and Ukraine for agricultural ecosystems.

We hope that this endorsement merits your utmost consideration

Thank you and regards.

Very truly yours,

Mario S. Roño

Subject: Letter of Endorsement for the project "Biodiversity Indicators for National Use"

Date: January 09, 2001

Dear Mrs. Valerie Kapos,

With this letter we would like to make national endorsement for the GEF project "Biodiversity Indicators for National Use". The project will add value to our own research and investigations as well bring international experience in such a complicated issue as reconciliation of biodiversity and agriculture.

Also we nominate Ukrainian Committee for Assistance to United Nations Environment Program (UKRUNEPCom) as national organization responsible for the project implementation in Ukraine.

Please accept the assurance of highest consideration and hope for future tight cooperation, best wishes and Season greetings!
