Mr. Yannick Glemarec
GEF Executive Coordinator
United Nations Development Programme
One United Nations Plaza
304 East 45th St.
FF Bldg., 10th floor
New York, NY 10017

Dear Mr. Glemarec:

After reviewing the Project Identification Form (PIF) submitted for ***India: IND-BD Mainstreaming Coastal and Marine Biodiversity Conservation into Production Sectors in the Malvan Coast, Maharashtra State*** under the Programme Framework for ***Mainstreaming Coastal and Marine Biodiversity Conservation in Production, Landscapes, and Sectors in India***, I am pleased to clear the PIF for an indicative amount of \$3,500,000 for possible inclusion in the next work program scheduled for review by the GEF Council. All PIFs cleared for inclusion in the work program will be posted on the website for four weeks prior to Council approval.

PIF clearance authorizes you to begin preparation of the project proposal, taking into account the attached comments made by the GEF Secretariat, which are based on the project concept's eligibility under the GEF Trust Fund and which ensure conformity with GEF focal area strategies.

Please note that the final grant amount will be confirmed at the time of CEO endorsement of your final project document. The endorsement will be based on the Secretariat's review of the final project document's consistency with GEF policies and procedures, particularly the cost-effectiveness of the financing plan.

Should Council Members raise significant policy or strategic concerns about the concept, the Secretariat will undertake consultations with the beneficiary country and your Agency about either revise to address the Council Members' concerns or whether to cancel the project proposal and possibly the associated PPG, if any.

It is our expectation that your Agency will submit a final project document for endorsement no later than October 2010. You are requested to inform the Secretariat at least one month in advance if this timeline cannot be met. We will then consult with the beneficiary country and your Agency prior to reaching a decision on whether to establish a new timeline or to cancel the concept.

I am attaching a copy of the project tracking sheet and review sheet for your records.

Sincerely,

A handwritten signature in black ink, appearing to read 'Barbut', enclosed within a hand-drawn rectangular box. The signature is fluid and cursive.

Monique Barbut
Chief Executive Officer and Chairperson
Global Environment Facility
