According to the new criteria of GEF-4 cycle and requirement of 10% GEF Agency fees from RAF, Thailand GEF Operational Focal Point held a National Committee on International Environment Cooperation on September 28, 2007 to consider GEF Agencies Fee. The Committee agreed that GEF Agencies Fee should be allocated from endorsed budget project. Therefore, as GEF National Operational Focal Point for Thailand, I consent to the utilization of these allocations available to Thailand in GEF-4 under the GEF Resource Allocation Framework noted in the Table above. I confirm that the total project amount of RAF allocated for each project includes project preparation grant (PPG), project implementation and Agency fee (10%) to the GEF Agencies for project cycle management services.

Please be assured of our ongoing cooperation.

Yours sincerely,

(Mr. Saksit Tridech)
Permanent Secretary
