RE: ENDORSEMENT LETTER FOR THE PROJECT PROPOSAL 'BIODIVERSITY ADD-ON PROPOSAL'

The Ministry has reviewed the above-mentioned project proposal for additional GEF funding for Biodiversity Add-On Activities.

Zambia being a Signatory to the Convention on Biological Diversity (CBD) fully supports the project proposal as it will contribute to the global commitments of conservation and sustainable utilisation of natural resources.

The Ministry therefore, fully endorses the project '**Biodiversity Add-On Proposal**' as it is consistent with the international agenda as enshrined in the Johannesburg Plan of Implementation (JPOI), Millenium Development Goals (MDGs) including that of the New Partnership for African Development (NEPAD) and the Convention on Biological Diversity.
