Dear LDCF/SCCF Council Member:

UNEP and UNDP as the Implementing Agency for the project entitled: ***Angola: Addressing Urgent Coastal Adaptation Needs and Capacity Gaps in Angola***, has submitted the attached proposed project document for CEO endorsement prior to final approval of the project document in accordance with UNEP and UNDP procedures.

The Secretariat has reviewed the project document. It is consistent with the proposal approved by LDCF/SCCF Council in November 2013 and the proposed project remains consistent with the Instrument and LDCF/SCCF policies and procedures. The attached explanation prepared by UNEP and UNDP satisfactorily details how Council's comments have been addressed. I am, therefore, endorsing the project document.

We have today posted the proposed project document on the GEF website at www.TheGEF.org. If you do not have access to the Web, you may request the local field office of UNDP or the World Bank to download the document for you. Alternatively, you may request a copy of the document from the Secretariat. If you make such a request, please confirm for us your current mailing address.

Sincerely,

Naoko Ishii
Chief Executive Officer and Chairperson
