Dear Mr. Scholtès,

1. We are very pleased to have the opportunity to participate in the Global Environment Facility Project, entitled “*Biogas Applications for the Brazilian Agro-industry*”. We have been working on the project preparation from the very beginning and we are very enthusiastic with the outcomes. We are also very pleased with the UNIDO performance regarding the coordination during the implementing phases of the project.
2. Therefore, we would like to express our understanding that UNIDO has the required experience to implement, execute, and deliver the expected products during the project execution.
3. In this regard, we would like to ratify and approve UNIDO as the institution responsible for the implementation and execution of the project, with the support of the International Center on Renewable Energy – Biogas CIBiogás-ER.
4. Finally, we would like to affirm our satisfaction in being part of this initiative, and we will be looking forward to the development of this aforementioned project.

Sincerely,

**ALVARO TOUBES PRATA**  
National Secretary for Technological Development and Innovation
