**Subject: Endorsement for the project “Reducing Greenhouse Gas Emissions through Improved Energy Efficiency in the Industrial Sector in Cambodia”**

In my capacity as GEF Operational Focal Point for Cambodia, I confirm that the above project proposal (a) is in accordance with the government’s national priorities and the commitments made by Cambodia under the relevant global environmental conventions and (b) has been discussed with relevant stakeholders, including the global environmental convention focal points, in accordance with GEF’s policy on public involvement.

Accordingly, I am pleased to endorse the preparation of the above project proposal with the support of UNIDO. If approved, the proposal will be prepared and implemented by the Cambodian Cleaner Production Centre under the Ministry of Industry, Mines and Energy. Further, I request UNIDO to provide a copy of the project document for review and approval before it is submitted to the GEF Secretariat for CEO endorsement.

I understand that the total GEF financing being requested for this project is \$1,430,000, broken down as follows:

- \$ 1,240,000 for the full proposal;
- \$124,000 Agency fee for project cycle management services associated with the implementation of the full proposal;
- \$60,000 for the project preparation grant (PPG);
- \$6,000 Agency fee for project cycle management services associated with the implementation of the PPG.

I consent to the utilization of the following indicative allocations available to Cambodia in GEF-4 under the GEF Resource Allocation Framework to cover the GEF project preparation and implementation as well as the associated Agency fees for this project.

Climate Change: \$1,430,000

Sincerely, *Lonh*

Dr. LONH Heal, Operational Focal Point  
Director General  
Ministry of Environment  
Cambodia
