Subject: Endorsement for the project " Climate change related technology transfer for Cambodia: Using agricultural residue biomass for sustainable energy solutions"

In my capacity as GEF Operational Focal Point for Cambodia, I confirm that the above project proposal (a) is in accordance with the government's national priorities and the commitments made by Cambodia under the relevant global environmental conventions and (b) has been discussed with relevant stakeholders, including the global environmental convention focal points, in accordance with GEF's policy on public involvement.

Accordingly, I am pleased to endorse the preparation of the above project proposal with the support of UNIDO. If approved, the proposal will be prepared and implemented by the National Cleaner Production Office-Cambodia under ministry of Industry, Mines and Energy. Further, I request UNIDO to provide a copy of the project document for review and approval before it is submitted to the GEF Secretariat for CEO endorsement.

I understand that the total GEF financing being requested for this project under the Strategic Program on Technology Transfer Program is \$1,947,000, broken down as follows:

- \$1,690,000 for the full proposal;
- \$169,000 Agency fee for project cycle management services associated with the implementation of the full proposal;
- \$80,000 for the project preparation grant (PPG)
- \$8,000 Agency fee for project cycle management services associated with the implementation of the PPG.

I am aware that the use of these funds will not be charged to the country's allocations under the GEF-4 Resource Allocation Framework.

Sincerely, *Lonh*

Dr. LONH Heal, Operational Focal
Point
