**Subject: Endorsement Letter for Project "China Energy Efficiency Promotion  
in Industry"**

In my capacity as GEF Operational Focal Point for China, I confirm that the above project proposal (a) is in accordance with the government's national priorities and the commitments made by China under the relevant global environmental conventions and (b) has been discussed with relevant stakeholders, including the global environmental convention focal points, in accordance with GEF's policy on public involvement.

Accordingly, I am pleased to endorse the preparation of the above project proposal with the support of the World Bank. If approved, the proposal will be prepared and implemented by Ministry of Industry and Information Technology of the P.R.C. Further, I request the World Bank to provide a copy of the project document for endorsement before submission to the GEF Secretariat for CEO endorsement.

I understand that the total GEF financing being requested for this project is US\$4,488,000, which includes US\$80,000 for project preparation (PPG) and US\$ 4,000,000 for implementation, and US\$ 408,000 (10% of the project and PPG amount) of fees to the World Bank for project cycle management services associated with this project.

I consent to the utilization of the following indicative allocations available to China in GEF-4 under the GEF Resource Allocation Framework (climate change: 4,488,000) to cover the GEF project implementation as well as the associated Agency fees for this project.

Sincerely yours,

Fangyu Liu  
GEF Operational Focal Point for China  
International Department
