Subject: Endorsement for GEF/China Integrated Rural Biomass Energy Development Project

In my capacity as GEF Operational Focal Point for China, I confirm that the above project proposal (a) is in accordance with the government's national priorities and the commitments made by China under the relevant global environmental conventions and (b) has been discussed with relevant stakeholders, including the global environmental convention focal points, in accordance with GEF's policy on public involvement.

Accordingly, I am pleased to endorse the preparation of the above project proposal with the support of ADB. If approved, the proposal will be prepared and implemented by Ministry of Agriculture. Further, I request ADB to provide a copy of the project document for endorsement by this office before it is submitted to the GEF Secretariat for CEO endorsement.

I understand that the total GEF financing being requested for this project is \$10,350,000, which includes \$350,000 for project preparation (PPG) and implementation, and \$1,035,000 (10% of the project and PPG amount) of fees to ADB for project cycle management services associated with this project.

I consent to the utilization of the following indicative allocations available to China in GEF-4 under the GEF Resource Allocation Framework to cover the GEF project preparation and implementation as well as the associated Agency fees for this project.

Climate Change: \$10,350,000 Biodiversity: \$0

Sincerely,

Jinkang Wu (Mr.)
