Dear LDCF/SCCF Council Member,

I am writing to notify you that we have today posted on GEF's website at www.TheGEF.org, a Project Identification Form (PIF) for a full-sized project proposal from FAO entitled: ***Haiti: Strengthening Climate Resilience and Reducing Disaster Risk in Agriculture to Improve Food Security in Haiti Post Earthquake***, for funding under the Least Developed Countries Fund (LDCF). This PIF has been posted for Council approval by mail. Council Members are invited to review the PIF and to submit their comments (in Word file) to the GEF Secretariat's program coordination registry at gcoordination@TheGEF.org by March 10, 2011.

Following the streamlined procedures for processing LDCF proposals and the new project cycle, Council members are invited to approve the following decision:

*The LDCF/SCCF Council reviewed the PIF entitled **Haiti: Strengthening Climate Resilience and Reducing Disaster Risk in Agriculture to Improve Food Security in Haiti Post Earthquake**, posted on February 10, 2011 and approves it on a no objection basis subject to the comments submitted to the Secretariat by March 10, 2011.*

In accordance with this decision, if the Secretariat has not heard from you in writing by March 10, 2011, we will assume that you approve the PIF. Council members will receive a copy of the draft final project document that will be submitted for CEO endorsement.

Sincerely,
