Subject: Endorsement for Microturbine Cogeneration Technology  
Application Project (MCTAP)

Dear Mr. Glemarec

In my capacity as GEF Operational Focal Point for Indonesia, I confirm that the above project proposal is in accordance with the government's national priorities and the commitments made by Indonesia under the relevant global environmental conventions. This project proposal has been discussed with relevant stakeholders, including the convention focal points.

Accordingly, I am pleased to endorse the preparation of the above project proposal with the support of UNDP. The proposal will be implemented by the Agency for Assessment and Application of Technology (BPPT). Further, I would like to request UNDP to provide a copy of the project document for information of this office before it is submitted to the GEF Secretariat for CEO endorsement.

I understand that the total GEF financing being requested for this project is US\$ 3,000,000, which includes US\$ 140,000 for project preparation (PPG) and implementation, and US\$ 300,000 (10% of the project and PPG amount) of fees to UNDP for project cycle management services associated with this project.

I consent to the utilization of the following indicative allocations available to Indonesia in GEF-4 under the GEF RAF to cover the GEF project preparation and implementation as well as the associated Agency fees for this project.

Climate Change: US\$ 3,000,000      Biodiversity: \$0

Yours sincerely,

**Agus Purnomo**
