Dear Sir,

Expedited Financing for (interim) Measures for Capacity Building in Priority Areas related to Climate Change

As GEF Operational Focal Point for Jamaica, I hereby endorse the attached project proposal, "Financing for (Interim) Measures for Capacity Building in Priority Areas Part II" prepared in accordance with the guidelines for Expedited Financing of Climate Change Enabling Activities.

This project will continue the first phase of implementation of commitments of the Government of Jamaica to the United Nations Framework Convention on Climate Change.

The focus of the Project - capacity building - is critical for Jamaica as a small island developing state.

I would like to thank you for your assistance in submitting this project proposal to the GEF Secretariat.

Yours faithfully

Leonie Barnaby
for Permanent Secretary
