Dear Mr. de la Porte,

RE: **ENDORSEMENT FOR PROJECT DEVELOPMENT PREPARATION (PDF B)
PROPOSAL: DEVELOPMENT AND IMPLEMENTATION OF A STANDARDS AND
LABELING PROGRAMME IN KENYA.**

The above project proposal was submitted to the National Focal Point after extensive consultations by key stakeholders. The objective is to reduce greenhouse gases from energy consumption by introduction of minimum energy performance standards and labels in equipment and appliances.

The project is in conformity with the Economic Recovery Strategy for Wealth and Employment Creation the National Energy Policy security and efficiency.

The National Focal Point therefore endorses the proposal on behalf of the Government of Kenya.

Thank you for your cooperation.

Yours sincerely

Jonyango
