***Subject: Endorsement letter of GEF National Focal Point for the proposal “GEF Project concept note and request for a PDF block B grant : Southern Provinces Rural Electrification II Adaptable Program Loan – Renewable Off-Grid Electrification and Urban Energy Efficiency/DSM”.***

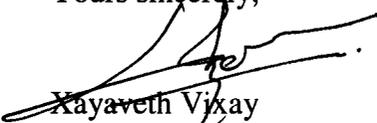

Dear Mr. Enrique Crousillat

In my capacity as Global Environment Facility (GEF) operational focal point for Lao PDR, I hereby endorse the above mentioned proposal to access GEF funding to conduct Off-Grid Rural Electrification Component and DSM and Energy Efficiency Component.

Lao PDR considers the proposal to be an important and valuable exercise in our ongoing efforts to protect the global environment while to achieve our national sustainable development goals.

Thank you very much for your kind cooperation.

Yours sincerely,

  
Xayaveth Vixay  
GEF Focal Point for Lao PDR
