Dear LDCF/SCCF Council Member,

I am writing in reference to my letter of December 11, 2014 which circulated a Project Identification Form (PIF) for a full-sized project proposal from UNDP for the Council's review and approval.

I am pleased to inform you of the Council's decision as follows:

*The LDCF/SCCF Council reviewed the PIF entitled **Mali: Flood Hazard and Climate Risk Management to Secure Lives and Assets in Mali (GEF ID: 5855)** (LDCF Project Grant \$8,925,000) (Agency Fee \$847,875¹), posted on December 11, 2014 and approves it on a no objection basis subject to the comments submitted to the Secretariat.*

The Council finds that the PIF (i) is, or would be, consistent with the Instrument and GEF/LDCF/SCCF policies and procedures, and (ii) maybe endorsed by the CEO for final approval by the GEF Agency, provided that the final project document fully incorporates and addresses the Council's and the STAP reviewer's comments on the PIF, and that the CEO confirms that the project continues to be consistent with the Instrument and GEF/LDCF/SCCF policies and procedures.

The final project document will be posted on the GEF website for information after CEO endorsement. If the GEF CEO determines that there has been a major change to the present scope and approach since PIF approval, the final project document shall be posted on the web for Council review for four weeks prior to CEO endorsement.

Sincerely,

Naoko Ishii
Chief Executive Officer and Chairperson
