CEO and Chairperson

May 15, 2018

Dear Council Member:

The United Nations Environment Programme (UNEP) as the Implementing Agency for the child project entitled: ***Myanmar: Leapfrogging Myanmar's Market to High Efficiency Lighting and Appliances – GEFID9499*** under the Programmatic Framework Document (PFD) entitled: ***Global: Leapfrogging Markets to High Efficiency Products (Appliances, including Lighting, and Electrical Equipment) (PROGRAM) – GEFID 9083***, has submitted the proposed project document for CEO approval. The agency has sought to take in to account the comments of the Council and the STAP on PFD in the design of the child project.

The Secretariat is reviewing the project document to ascertain its consistency with the PFD approved by the Council on September 14, 2015, and to assess whether the proposed child project remains consistent with the Instrument and GEF policies and procedures. In accordance with the Council decision on reviewing child projects prior to CEO Approval, any comments or questions on the associated project documents are welcome before June 13, 2018. Please send these to gcoordination@TheGEF.org.

Sincerely,

Naoko Ishii
Chief Executive Officer and Chairperson
