Dear LDCF/SCCF Council Member,

This letter supersedes the Council Approval Letter dated October 31, 2013 for the same project, in which the footnote on Agency fee tranching was missing.

I am writing in reference to my letter of October 01, 2013 which circulated a Project Identification Form (PIF) for a full-sized project proposal from World Bank for the Council's review and approval.

I am pleased to inform you of the Council's decision as follows:

*The LDCF/SCCF Council reviewed the PIF entitled **Niger: Disaster Risk Management and Urban Development Project (GEF ID: 5436)** (LDCF Project Grant \$6,649,315) (Agency Fee \$631,685¹), posted on October 01, 2013 and approves it on a no objection basis subject to the comments submitted to the Secretariat.*

The Council finds that the PIF (i) is, or would be, consistent with the Instrument and GEF policies and procedures, and (ii) maybe endorsed by the CEO for final approval by the GEF Agency, provided that the final project document fully incorporates and addresses the Council's and the STAP reviewer's comments on the PIF, and that the CEO confirms that the project continues to be consistent with the Instrument and GEF/LDCF/SCCF policies and procedures.

The final project document will be posted on the GEF website for information after CEO endorsement. If the GEF CEO determines that there has been a major change to the present scope and approach since PIF approval, the final project document shall be posted on the web for Council review for four weeks prior to CEO endorsement.

Sincerely,

Naoko Ishii
Chief Executive Officer and Chairperson
