B. INDICATIVE PROJECT DESCRIPTION SUMMARY

Project Objective: Strengthening government's disaster risk management capacity by improving urban and rural infrastructure; reducing vulnerability to natural disasters by strengthening local institutional capacities and land management; and improving government's capacity to respond promptly and effectively to an eligible crisis or emergency.

This Data Sheet replaces the GEF PIF.

1

Project ID number will be assigned by GEFSEC.

Refer to the reference attached on the <u>Focal Area Results Framework</u> when completing Table A.

⁴ TA includes capacity building, and research and development.

| (select) | fruitful gender-sensitive participation; (iv) Enhanced risk assessment and early warning systems, both centrally and at community level; (v) Enhanced consideration for disaster risks and climate change in development planning (vi) Enhanced emergency response and recovery capacity at all levels. | Support to authorities and municipal services to improve their performance to implement their skills to maintain annual work programs. MFA: Multi-focal area projects; MTF: Multi-trust fund projects

Fill in this table only if PPG is requested. PPG amount is fixed based on the Project grant (pg) amount as follows: \$50k for pg up to & including \$1 mil.; \$100k for pg up to & including \$3 mil; \$150k for pg up to & including \$6 mil.; \$200k for pg up to & including \$10 mil.; \$300k for pg above \$10 mil. On an exceptional basis, PPG amount may differ upon detailed discussion and justification with the GEFSEC.
