ENDORSEMENT OF THE PROJECT PROPOSAL ON NIGERIA: RURAL ELECTRIFICATION AND RENEWABLE ENERGY DEVELOPMENT PROJECT

I wish to inform you that after detailed discussions on the above project proposal with Mr. Karan Kapoor, Carbon & Environmental Finance, Africa Region (World Bank) and due consideration of his request for its endorsement, I am directed to convey the endorsement of the Nigerian Government for the Project Proposal.

- 2 This medium sized project (MSP) proposal is of particular interest to Nigeria since it meets the country's national priorities in terms of its commitment to the development of renewable energy. It is therefore expected that it will lead to a full investment project.
- 3 It would be greatly appreciated if approval for the funding of this project is favourably considered.
4. Thank you for your usual cooperation.

Director (PRS)/GEF Operational Focal Point
