

Lima, March 17, 2008

To: Yannick Glemarec
UNDP/GEF Executive Coordinator
UNDP New York

Subject: Endorsement for the project "Normatividad y Etiquetado en Eficiencia Energética – Perú.

In my capacity as GEF Operational Focal Point for Peru, I confirm that the above project proposal (a) is in accordance with the government's national priorities and the commitments made by Peru under the relevant global environmental conventions and (b) has been discussed with relevant stakeholders, including the global environmental convention focal points, in accordance with GEF's policy on public involvement.

The PIF was prepared jointly by specialist from the General Directorate for Electricity – Minister of Energy & Mines of Peru with the support of UNDP and the Collaborative Labeling and Appliance Standards Program (CLASP). The proposal covers the Climate Change GEF Focal Area and if approved will be prepared in conjunction with UNDP and implemented by the General Directorate for Electricity of Peru. Further, I request UNDP to provide a final copy of the final project document for records before it is submitted to the GEF Secretariat for CEO endorsement.

I understand that the total GEF financing being requested for this project is \$ 2.210.000, which includes \$ 210.000 as fees to UNDP for project cycle management services associated with this project.

Sincerely,

Jose Antonio GONZALEZ NORRIS
GEF Operational Focal Point for Peru
