Dear Mr. Asenjo:

Please refer to UNDP's letter of June 27, 1997 enclosing the revised project proposal entitled: *Enabling Peru to Prepare its First National Communication in Response to its Commitments to the UNFCCC*, and subsequent clarifications about the proposal. Under the expedited procedures for enabling activities, I am happy to approve the proposal for a total amount of US\$195,700. In accordance with the decisions we took at the Management Retreat of July 24-25, 1996, 15% of the approved amount should be made available immediately for start up work in the recipient country.

Sincerely,
