**Subject: Endorsement for FSP regional project, “Low Carbon Energy Islands”, accelerating the use of Energy Efficient and Renewable Energy Technologies in Tuvalu, Niue and Nauru, under the GEF Pacific Alliance for Sustainability (GEFPAS) umbrella program**

In my capacity as GEF Operational Focal Point for Tuvalu, I confirm that the above project proposal (a) is in accordance with the government National Strategic Plan 2005-2015 (Te Kakeega II) and the commitments made by Tuvalu under the relevant global environment conventions and (b) has been discussed with relevant stakeholders, including the global environment convention focal points, in accordance with GEF's policy on public involvement.

Accordingly, I am pleased to endorse the preparation of the above project proposal with the support of UNEP. If approved, the proposal will be prepared and implemented by the Department of Energy/Tuvalu Electricity Corporation (TEC) and in close collaboration with the Department of Environment. Further, I request UNEP to provide a copy of the project document for endorsement by this office before it is submitted to the GEF Secretariat for CEO endorsement.

I understand that the total GEF financing being requested for this project is **\$1,500,000**, inclusive of project preparatory grant (PPG), is any, and Agency fee (10%) to UNEP for project cycle management services associated with this project.

I consent to the utilization of the following indicative allocation available to Tuvalu in GEF-4 under GEF Resource Allocation Framework to cover the GEF project preparation and implementation as well as the associated Agency fees for this project

Climate Change: **\$500,000**

Sincerely,
