Dear Mr. McCauley,

**Subject: Endorsement for Regional Project: Promoting Energy Efficiency in the Pacific**

In my capacity as GEF Operational Focal Point for Cook Islands, I confirm that the above project proposal (a) is in accordance with the government's national priorities and the commitments made by Cook Islands under the relevant global environmental conventions and (b) has been discussed with relevant stakeholders, including the global environmental convention focal points, in accordance with GEF's policy on public involvement.

Accordingly, I am pleased to endorse the preparation of the above project proposal with the support of ADB. If approved, the proposal will be prepared and implemented by various government agencies in Cook Islands that will be determined during project preparation. Further, I request ADB to provide a copy of the project document for work program inclusion before it is submitted to the GEF Secretariat for CEO endorsement.

I understand that the total GEF financing being requested for this project that is relevant to Cook Islands and other Pacific countries is \$6,000,000, inclusive of project preparation grant (PPG) and Agency fee (10%) to ADB for project cycle management services associated with this project.

I consent to the application for GEF support for this project under the Climate Change window for the countries in the Group in GEF4. The breakdown of GEF support for project preparation and implementation as well as the associated Agency fees are shown below.

GEF Agency	Focal Area	Country Name/ Global	(in \$)
