***Subject: Endorsement for "Financing Public Building Efficiency in Romania"***

In my capacity as GEF Operational Focal Points for Romania I confirm that the above project proposal (a) is in accordance with the government's national priorities and the commitments made by Romania under the relevant global environmental conventions and (b) has been discussed with relevant stakeholders, including the global environmental convention focal points, in accordance with GEF's policy on public involvement.

Accordingly, I am pleased to endorse the preparation of the above project proposal with the support of European Bank for Reconstruction and Development (EBRD). If approved, the proposal will be prepared and implemented EBRD. Further, I request EBRD to provide a copy of the project document for information of this before it is submitted to the GEF Secretariat for CEO endorsement.

The total GEF financing being requested for this project is \$ 5,247,000 inclusive of project preparation grant (PPG), if any, and Agency fee (10%) to EBRD for project cycle management services associated with this project.

I consent to the utilization of the following indicative allocations available to Romania in GEF-4 under the GEF Resource Allocation Framework to cover its share in the GEF project preparation and implementation as well as the associated Agency fees for this project.

**Climate Change** (allocations remaining to be programmed): \$ 15,200,000

Sincerely,

**Maria Elena TEODORESCU**  
**GEF Operational Focal Point**  
**NEPA Vice-president**
