Dear Mr Good

**ENDORSEMENT OF THE UNDP/GEF PDF B PROJECT PROPOSAL: SUSTAINABLE
PUBLIC TRANSPORT AND SPORT, A 2010 OPPORTUNITY**

I hereby wish to inform you that the abovementioned project has been channelled through the various mechanisms that have been established to evaluate GEF projects.

It is clear from the recommendations received that this project has a broad based government support and meets South Africa's national priorities in terms of its climate change commitment to a sustainable public transport system and sustainable development. This project presents a unique opportunity to link the objectives of climate change mitigation with issues of economic development and social justice.

Given these recommendations I therefore grant my endorsement for this project and would appreciate it if you facilitate the approval of funding for it.

Yours sincerely

**DIRECTOR-GENERAL
and GEF FOCAL POINT**
