May 23, 2012

Dear LDCF/SCCF Council Member,

I am writing to notify you that we have today posted on GEF's website at www.TheGEF.org, a Project Identification Form (PIF) for a full-sized project proposal from UNDP entitled: ***Tanzania : Strengthening Climate Information and Early Warning systems in Tanzania to Support Climate Resilient Development***, for funding under the Least Developed Countries Fund (LDCF). This PIF has been posted for Council approval by mail. Council Members are invited to review the PIF and to submit their comments (in Word file) to the GEF Secretariat's program coordination registry at gcoordination@TheGEF.org by June 22, 2012.

Following the streamlined procedures for processing LDCF proposals and the new project cycle, Council members are invited to approve the following decision:

*The LDCF/SCCF Council reviewed the PIF entitled **Tanzania: Strengthening Climate Information and Early Warning systems in Tanzania to Support Climate Resilient Development** posted on May 23, 2012 and approves it on a no objection basis subject to the comments submitted to the Secretariat by June 22, 2012.*

In accordance with this decision, if the Secretariat has not heard from you in writing by June 22, 2012 we will assume that you approve the PIF. Council members will receive a copy of the draft final project document that will be submitted for CEO endorsement.

Sincerely,

Attachment: GEFSEC Review Sheet
