November 09, 2017

Dear Council Member:

ADB as the Implementing Agency for the project entitled: ***Tonga: Outer Island Renewable Energy Project***, has submitted the attached proposed project document for CEO endorsement prior to final approval of the project document in accordance with ADB procedures.

The Secretariat has reviewed the project document. It is consistent with the proposal approved by Council in April 2016 and the proposed project remains consistent with the Instrument and GEF policies and procedures. The attached explanation prepared by ADB satisfactorily details how Council's comments and those of the STAP have been addressed. I am, therefore, endorsing the project document.

We have today posted the proposed project document on the GEF website at www.TheGEF.org. If you do not have access to the Web, you may request the local field office of UNDP or the World Bank to download the document for you. Alternatively, you may request a copy of the document from the Secretariat. If you make such a request, please confirm for us your current mailing address.

Sincerely,

A handwritten signature in blue ink, appearing to be 'Naoko Ishii', is written over a horizontal line. To the left of the signature, the number '40' is handwritten in blue ink.

Naoko Ishii
Chief Executive Officer and Chairperson
