To: Ms. Monique BARBUT
CEO and Chairperson
Global Environment Facility, GEF
Washington, USA

Subject: Endorsement for Improving Energy Efficiency in Industry

In my capacity as GEF Operational Focal Point for Turkey, I confirm that the above project proposal (a) is in accordance with the government's national priorities and the commitments made by Turkey under the relevant global environmental conventions and (b) has been discussed with relevant stakeholders, including the global environmental convention focal points, in accordance with GEF's policy on public involvement.

Accordingly, I am pleased to endorse the preparation of the above project proposal with the support of UNDP and UNIDO. If approved, the proposal will be prepared and implemented by General Directorate of Electrical Power Resources Survey and Development Administration (EIE) and Technology Development Foundation of Turkey (TTGV). Further, I request UNDP to provide a copy of the project document for examining before it is submitted to the GEF Secretariat for CEO endorsement.

I understand that the total GEF financing being requested for this project is \$6,622,000, inclusive of project preparation grant (PPG), if any, and Agency fee (10%) to UNDP and UNIDO, respectively, for project cycle management services associated with this project.

I consent to the utilization of the following indicative allocations available to Turkey in GEF-4 under the GEF Resource Allocation Framework to cover the GEF project preparation and implementation as well as the associated Agency fees for this project.

Climate Change: \$6,622,000

Sincerely,

Prof. Dr. Hasan Z. SARIKAYA
Undersecretary
GEF Operational Focal Point of Turkey
