Mr. Steve Gorman
GEF Executive Coordinator
The World Bank
1818 H St., NW
Washington, DC 20433

Dear Mr. Gorman:

I am pleased to approve your request for US\$275,000 as a project preparation grant for the sub-project proposal, ***Kenya: Fishery Management and Sustainable Coastal Environment Development Project*** chargeable against the ***Strategic Partnership for a Sustainable Fisheries Investment Fund in the Large Marine Ecosystems of Sub-Saharan Africa*** under the GEF Trust Fund.

This approval is based on the following understandings and milestones:

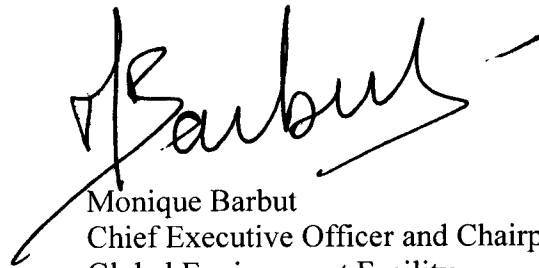

- (i) during preparation of the sub-project proposal, the comments of the GEF Council, the GEF Secretariat, the STAP, the GEF agencies, and the relevant Convention secretariat, will be taken into account;
- (ii) the sub-project proposal submitted for CEO endorsement will be responsive to the general project review criteria as well as any specific comments in the Secretariat's Project Review Sheet;
- (iii) the management costs for the project will not exceed 10%;
- (iv) final sub-project document will be submitted for CEO endorsement no later than June 30, 2008; and
- (v) a report on the use of the GEF project preparation grant will be submitted to the GEF Secretariat when submitting the final project document for CEO endorsement.

If any of these understandings or milestones is not achieved, you are requested to inform me as early as possible so that I may consult with the beneficiary country and your agency. Thereafter, I may agree to revised milestones or take a decision to cancel the project proposal from the GEF pipeline and to recommend to the agency that the associated project preparation grant be cancelled.

Please ensure that your grant agreements continue to fully reflect these understandings.

I am attaching a copy of the project tracking sheet for your records.

Sincerely,
