Subject: "SUSTAINABLE MANAGEMENT OF NATURAL RESOURCES IN THE
HIGH PAMIR AND PAMIR-ALAI (TAJIKISTAN, KYRGYZSTAN)" -- GEF
Focal Point Letter of Endorsement

Dear Prof. Hans van Ginkel,

After consideration the project brief on "Sustainable Management of Natural Resources in the High Pamirs and Pamirs-Alai – an Integrated and Transboundary Initiative for Biodiversity Conservation and Mountain Development in Central Asia (Tajikistan, Kyrgyzstan)" the Ministry of nature protection of the Republic of Tajikistan and focal point of GEF in the Republic of Tajikistan decided to endorse its realization and express their readiness for full participation as it is very essential initiative for the sustainable development and nature conservation of the region.

Looking forward for our close cooperation.

Sincerely yours,

U. Shokirov Minister of nature protection
of the Republic of Tajikistan
Focal point of GEF
in the Republic of Tajikistan

Subject: "Sustainable Management Of Natural Resources In The High Pamir And Pamir-Alai (Tajikistan, Kyrgyzstan)" – GEF Focal Point Letter of Endorsement

Dear Professor Hans van Ginkel,

The Ministry of Ecology and Emergencies of the Kyrgyz Republic and Focal Point of GEF in the Kyrgyz Republic has considered the project proposal "Sustainable Management Of Natural Resources In The High Pamir And Pamir-Alai – Integrated and Transboundary Initiative for Biodiversity Conservation and Mountain Development in Central Asia (Tajikistan, Kyrgyzstan)", supported realization of this initiative which is necessary for the environmental protection and sustainable development of the region and endorsed participation in project.

Looking forward for our fruitful cooperation,

Sincerely yours,

Satyvaldy Chyrmashev

Minister of Ecology and Emergencies
of the Kyrgyz Republic,
Focal Point of GEF in the Kyrgyz Republic
