Dear Ms. Dinu,

Subject: UNDP Co-financing for Kiribati CB2/CCCD

This is to indicate our commitment to collaborating with the implementation of the medium size project **Award 00073694/Project 00086402 Integrating global environmental priorities into national policies and programmes - PIMS No: 4936.**

We are pleased to confirm our commitment to provide co-financing in the amount of US\$30,000 towards the realization of objectives of the project over the three-year timeframe. This amount will be in the form of in-kind support from the UN One Fund project in Kiribati “Strengthening Governance & Aid effectiveness to address climate changes and Disaster Risk Management”.

We look forward to working with the GEF and UNDP colleagues in addressing this important portfolio.

Yours sincerely,
